

Springerboard White Back

DOUBLE BLADE COATED FOLDING BOX BOARD

THE BOARD:

- Springerboard W/B is a double blade coated folding box board with a medium gloss finish and a very smooth finish.
- The reverse side is single coated and finished to a matt level. The single coated reverse side provides improvements compared to an uncoated surface regarding smoothness and uniformity in ink absorption.

- Excellent graphic reproduction using screen and digital

OUR SERVICE:

- Available from reels in 5 working days
- Available from pallet stock in 24-48 hours
